Teaching Experience

Exceptional Education Experience:

Campus West #96, Buffalo, New York

Student Teacher, January-March 20XX

- Provided academic instruction to a fifth grade 15:1:1 self-contained class, incorporating the New York State Standards.
- Planned and taught an electricity unit called "Shock Me."
- Created a hands-on diagram to teach the parts and function of an atom.
- Supervised the creation of a model volcano during a social studies lesson on Hawaii.
- Developed learning center activities to provide extra practice in English, math, and science.
- Administered the Woodcock Reading Mastery Test-Revised.
- Participated in parent/teacher conferences to review IEP objectives.

Wales Primary School, East Aurora, New York

Junior Participant, September-December 20XX

- Designed developmentally appropriate lessons for a third grade inclusion class, utilizing the New York state Standards.
- Taught small group lessons from the "Everyday Math" program.
- Participated in parent/teacher conferences.
- Edited students writing and recorded their progress.
- Administered various assessments to determine each student's current reading level.

Elementary Education Experience:

Frederick Law Olmstead School #57, Buffalo, New York
Student Teacher, March-May 20XX

Dr. Charles R. Drew Science Magnet School, Buffalo, New York
Junior Participant, January-May 20XX

- Provided math, science, and social studies instruction to a fifth grade regular education class.
- Introduced a science unit by allowing the class to make their own interactive solar system.
- Taught students the geography of Canada through a story dialog.
- Utilized computers in the classroom to provide students with additional practice on the geography of Canada.
- Developed learning center activities to reinforce units on multiplication, the geography of Canada, and the solar system.

Como Park Elementary School, Lancaster, New York
Junior Participant, September-December 20XX

- Created reading and writing lessons for a fourth grade mainstream class, utilizing the New York State Standards.
- Developed and taught a unit based on a chapter book entitled Guests, by Michael Dorris.
- Introduced "Don't Race Through Reading," a strategy to increase reading comprehension.

Related Experience

Our Lady of the Sacred Heart, Hamburg, New York
Religion Teacher, 20XX-present

- Develop and teach lessons to first graders each Saturday morning.

Wales Primary School, East Aurora, New York
Substitute Teacher/Aide, December 20XX
